Federal University of Technology Akure. 2010- 2015

B.Eng.: Mechanical Engineering

Millennium Senior Secondary School Egbeda. 2006-2009

SSCE

Skills Experience and Personal Attributes

Communication skills

As a trainer, my communication skills have been greatly enhanced in impacting knowledge. During my service year, I taught the AutoCAD software to IT students in the department I worked. I was also employed to teach Mathematics and English language to both junior and senior secondary school students.

Leadership skills

While on campus, I served as a level coordinator and general secretary of my unit in the fellowship. Through my leadership, the students under my leadership became more committed and three of them became executives in the fellowship. During my service year, I served as the head corps member in my CDS group where we carried out two clean-up projects, procured reflective jackets and renovated the sign board of the CDS group. I also served as a zonal coordinator in the Nigeria Christian Corpers' Fellowship.

Technology

- Management: Microsoft Office
